### Eastern New Mexico University

**O Hail ENMU  
(Fight Song)**

O Hail ENMU to You

May we ever be loyal and true.

Loudly our praises we sing

Through the ages, may they ring.

And all through our lives we'll recall

the school that we love best of all.

Hail E-N-M-U to you.

The Green and Silver, Green and Silver  
reign forever.

### Eastern New Mexico University

**Alma Mater  
Circa 1938, A. Bruce Gaarder**

There's a song in my heart  
and a feeling I would share,  
for the school of the Silver and Green.

For the memories I cherish and  
friends that I knew there  
in the halls of fellowship keen.

There are thoughts that can't be spoken,  
in my memories of you.

So I'm singing your praise of Eastern University,  
Alma Mater true.
